DISTANCE LEARNING

Missouri Southern offers a large selection of online (Internet) programs and courses. For a complete listing of online programs visit the Department of Digital Learning's website: https://www.mssu.edu/academics/distance-learning/. Most online courses follow the same semester schedule as on-campus courses, but some do not. Be sure to carefully check the schedule for Delayed Start and other part-of-term courses.

Internet classes are not recommended for students with only dial-up or cellular Internet connections. Online students should not expect to complete all Internet course activities on a cellular phone or other mobile device. Students interested in completing Internet classes at MSSU must have access to a reliable laptop or desktop computer with high-speed (DSL, cable, fiber-optic) Internet access. A small number of courses require a Windows computer (PC). Be sure to pay close attention to course descriptions.

Internet courses are instructor-led, not self-paced, and students are expected to actively participate on a weekly basis, from the very first day of classes. Distance students run the risk of being dropped from any online course for lack of participation (submitting an assignment, posting to a discussion board, etc.) during the first seven days of the class. This drop could lead to the loss of Financial Aid.

Missouri Southern's primary learning management system (LMS) for distance course delivery is Blackboard™. MSSU's Blackboard™ can be found on the landing page of the "Students" section of the University website: https://www.mssu.edu/student.php. Student login credentials are provided by the Information Technology department. For assistance with login credentials contact the I.T. Helpdesk at (417) 659-4444 or email helpdesk@mssu.edu

Blackboard Course Availability:

Blackboard sites for all courses will appear in Blackboard two-days prior to the official start date of classes. This extra time should be used by students to review important course documents in the "Course Home" area of each course. Students should not expect discussion board or email correspondence with professors to begin prior to the official start date of the course. Face-to-face courses also have Blackboard sites, but the extent to which they are used is entirely up to the instructor.

New Online Student Orientation:

First-time distance students are automatically enrolled in the Department of Digital Learning's "Chalk Talk Blackboard Prep for Students" Blackboard Organization. Activities in this course are optional, providing Missouri Southern's new distance learners with information relevant to being a distance student, including the use of various Blackboard functions used by MSSU online instructors. The "Chalk Talk Blackboard Prep for Students" Blackboard Organization should automatically appear in new online students' Blackboard Organizations section shortly after registration and no sooner than two weeks prior to the semester start date. For access to the organization, please contact Scott Snell, Director of Digital Learning at (417) 625-9651 or snell-s@mssu.edu..

Complete Proctored Exams Online:

Students taking online classes requiring proctored tests, which are tests that must be taken in the physical presence of a testing monitor, will be provided the option of completing such exams online, see the course syllabus. To take advantage of this option, students will need a high-speed internet connection and computer with audio/video capabilities. Students also have the option of completing proctored exams at physical testing locations. There may be a charge associated with taking proctored exams at physical locations other than Missouri Southern's campus. For more information on proctored exams in distance courses see the Testing Procedures for Distance Courses section.

COURSE WITHDRAWAL PROCEDURE FOR DISTANCE STUDENTS:

WITHDRAWAL FROM A SINGLE CLASS FOR FULL TERM CLASSES: Prior to the first day of the semester, students may contact their advisor to be dropped from a single class or drop themselves through LioNet if they eligible to self-enroll. Beginning the first day of the third week of the semester, students may complete Single Course Withdrawal form. The official date of withdrawal is the date the form is submitted through the form portal.

WITHDRAWAL FROM ALL CLASSES: Prior to the first day of the semester, students may contact their advisor to withdraw from their classes or they can withdraw from their classes through LioNet, if eligible to do so. Beginning the first day of the semester distance learning students who wish to withdraw from all their classes must see reach out to the university exit counselor in the Financial Aid Office at finaid@mssu.edu to receive information and instructions on how to completely withdraw from their classes. After the deadline for full refund of charges, Federal financial aid recipients who withdraw from all classes will automatically be placed on Financial Aid Suspension.

COURSE MATERIAL FOR DISTANCE STUDENTS:

Course materials information for all classes can be found at: www.mssubookstore.com After enrolling, a student's booklist may be found online in LioNet. Your booklist will specify the needed materials requested for your classes.

Course materials may be picked up in store or ordered online at mssubookstore.com. Payment can be made utilizing financial aid with the "Student Account" option through the first week of class. Books listed as rental are the only books available to rent. Purchase books, access codes, and supplies are available through the bookstore. Store hours are posted on our website.

Inclusive Access is a program where the required course material will be offered in a digital format through Blackboard on the first day of class. A charge from the MSSU Bookstore, with course and title information, will be placed on your student account. Prior to the start of classes, instructions and information will be sent to your student email. Within that email is a link to your Inclusive Access portal which allows you to opt-out and receive a refund during the first 2 weeks of fall or spring semesters and the first week of summer. Refunds also occur when you change or drop a course. For questions, contact us at bookstore@mssu.edu.

Spring rental textbooks must be returned or postmarked by Monday, May 13th, 2024.

TESTING PROCEDURES FOR DISTANCE COURSES:

Professors of distance courses may ask students to utilize Testing Services to take proctored exams. Refer to the course syllabus or other course materials for complete proctored exam testing instructions for individual courses.

To schedule a proctored exam session on Missouri Southern's campus, contact Testing Services at 417-625-9577 or email testingservices@mssu.edu. The testing services office is located in Webster Hall, Room 117.

Your instructor will explain the testing options that are allowed for your specific course. Every online student who is able to utilize Testing Services (on-campus or students who use an approved proctor, dual enrolled high school or home-schooled students), must email or call Testing Services to request an exam.

Students who live more than 30 miles from the MSSU campus (***off-campus students***), can test on campus or with an approved proctor.
Students needing a remote proctor should contact Testing Services for assistance. To request approval for a remote proctor please use Testing Services Proctor Agreement Form, linked below. The Testing Services Office must approve all proctors before tests are emailed to a proctor's location. Once the proctor is approved, the student may continue to utilize them. If the student lives in Springfield, St. Louis, Kansas City, Cassville, Lamar, Nevada, Neosho, and some parts of Arkansas, we may have proctors who have already been approved, please contact us for information. Local testing centers or libraries should always be utilized first. Testing Services can help with this.

Students are responsible for any remote proctor fees. If required, students may have to pay a charge for the Proctor's time and effort. Student must contact 417-625-9577 or testingservices@mssu.edu, each time a student needs to take an exam. For Testing times and date visit: Testing Services website link located below:.
