FLY PERSON DUTIES

1. Attend and participate in all technical rehearsals.

2. Operate the fly system, special riggings, or spot lines as required by the Technical Director, Director, or Designer.

3. Meet all deadlines as required by schedules A, B & C.

4. Be available for consultation with the Technical Director.

5. Flypersons are directly responsible to the Production Stage Manager during the run of the production.

6. Follow safety procedures.
