SET DRESSER OR SET DECORATOR DUTIES

1. Read and analyze script; do period research.

2. Attend all production meetings.

3. Select and obtain all trim props and set decor (pictures, clutter, furniture, miscellaneous objects) which make a set look “lived in.”

4. Work closely with the Set Designer and try to reinforce the periods, styles, and mood that the Set Designer is trying to create.

5. Work closely with Props Designer.

6. Directly responsible to Scene Designer.

7. Attend dress rehearsals.

8. Do not add any more decor items after dress rehearsals begin unless you have express permission from the Director. If you add something, show it to the actors before the dress rehearsal.

9. Follow all safety procedures.
