EDUC 0499  (Demand)  1-3 hrs. cr.
Independent Study
Structured by the adviser with approval of department head. Prerequisites: Advanced standing in the major field and approval of adviser and department head.

The Child Development Center (CDC) serves as the child care center for children of students, faculty, staff and alumni. The CDC has been in operation since 1986. It is licensed by the Missouri Department of Health and Senior Services to care for children from six weeks through five years old. The CDC has been accredited by Missouri Accreditation since 1996. The center is also utilized by students in various departments for child observation, research and practicum experiences. The Child Development Center is committed to providing high quality care and early education in a safe, nurturing and supportive environment for optimal growth and development of the children enrolled.
