Welcome to residence hall living at Missouri Southern! Over 600 students will join you living on campus. For some of you this will be a new experience and we hope it will be enjoyable, educational and rewarding. (Keep in mind that students who live in university residence halls are more likely to obtain high grades, become involved in extracurricular activities and complete degree programs than their peers living off-campus!) Missouri Southern offers outstanding residence hall units including both traditional, suite, and private styles. Rooms are furnished with twin-extra long size beds (36 x 80), desks, chairs, wastebaskets, mini blinds, and nightstands. Specially designed suites are available for students with special needs. Each of the three meal plans include Lionbucks, which can be redeemed at the Lions Den Food Court and University Java Coffee Shop.

Campus Residence Requirements – All freshmen students under 21 years of age are required to live in university residence halls to the extent available, unless they are married, or live with their parents.
