Subject: Fun Run at the Southern Stampede

TO: Tom Rutledge

The MSHSAA staff will e-mail on September 18 the MSHSAA member senior high and junior high schools registered for cross country and entered in the 2009 Southern Stampede Cross Country Invitational the following information and we ask that the meet management distribute the same information/warning in writing to the applicable schools when they arrive at the meet site. This situation may apply to invited schools from other states, as well. The starter and starting line clerks need to provide this information verbally to the runners at the starting line before the Fun Run, also. Thank you.

ELIGIBILITY REMINDER

MSHSAA member senior high schools and junior high schools registered for cross country cannot participate in non-school fun runs, open races, road races, running events, triathlons, etc. against schools/teams/individuals not registered for cross country with the MSHSAA during the school cross country season.

During the 2009 MSHSAA Cross Country season, MSHSAA member senior high schools registered for cross country can only participate against other MSHSAA senior high schools registered for cross country and/or those senior high schools from a like association in another state.

Likewise, during the 2009 MSHSAA Cross Country season, MSHSAA member junior high schools registered for cross country can only participate against other MSHSAA junior high schools registered for cross country and/or those junior high schools from a like association in another state.
