

July 2009

Dear

The 2009 Missouri Southern Baseball Program saw a season of firsts as the Lions advanced to the four-team MIAA Baseball Tournament for the first time since 2002 and defeated 11th ranked Central Missouri 10-0 in the first round. The Lions also defeated then third ranked and eventual NCAA Division II Runner Up Emporia State three out of four games at Joe Becker Stadium in the regular season. The 35 wins for Southern was the most for a Lions squad since the 2001 season and the Lions also had eight players named All-MIAA. With your support in 2009, we achieved one of our goals of making the MIAA Tournament, but we want to soar higher. We want the Missouri Southern Baseball Program to be a permanent presence in the conference tournament, as well as advancing to and past an NCAA Regional. With your support, we can reach this goal.

Because of your contributions last season we were able to make several improvements to our program. Traveling on charter busses, improving our uniform and equipment situation, and traveling in a first class manner are only a few. Please know that our players appreciate the support and the difference it makes.

MSSU Baseball is again asking for your support. We are asking for you to join our Dugout Club for the 2009-2010 season. By joining the Dugout Club, we can continue to run a program with class and provide a quality experience for our student athletes.

Additionally in 2010, admission will be charged at all MSSU home baseball games at Joe Becker Stadium. However, any support at any level of the Southern Baseball Dugout Club will result in free admission at all Lions home baseball games.

## SOUTHERN BASEBALL DUGOUT CLUB

- Less than \$25 Dollars - "Team Player"
- \$25 Donation - "Singles Club"
- \$50 Donation - "Doubles Club"
- \$100 Donation - "Triples Club"
