Thirty-five MSSU student-athletes honored

MIAA Commissioner's Academic Honor Rolls announced for fall sports

Thirty-five members of Missouri Southern State University fall athletics teams were named to Mid-America Intercollegiate Athletics Association (MIAA) Commissioner's Academic Honor Rolls recently announced by the conference.

The Missouri Southern football team had 12 student-athletes picked for the honor roll, while the women's soccer squad had 10 players named. Six Lions were selected in women's cross country, five were from volleyball and two more from men's cross country.

To earn MIAA Commissioner's Academic Honor Roll recognition, student-athletes must: 1) have a cumulative GPA of 3.00 or better at the nominating institution, 2) have at least two terms of attendance at the nonnominating institution (excluding summer session), and 3) be at least a sophomore in athletic eligibility. Redshirts and those seeking a medical hardship are not eligible.

Here is the complete Missouri Southern list for the fall sports of 2005:
