

TRANSFER STUDENTS • April 23, 2008

A special transfer orientation and pre-registration for transfer students will be held at 12:00 p.m. on April 23, 2008. Invitations for Southern Welcome for Transfers will be mailed to eligible students. An unofficial copy of the student's transcript should be brought to assist in selecting courses for pre-registration.

Transfer students who can not attend the transfer orientation meeting may register after April 23, 2008. Students must report to the Office of Admissions, 109 Hearnes Hall, for a permit to register before their appointment with their major adviser.
