Additional requirements for the Spanish major are:

1. Successful completion of proficiency tests. Guidelines are available in the Department of Foreign Languages. These guidelines indicate the general areas covered by the proficiency tests and the dates on which tests are scheduled for the academic year. Students will normally take the tests for diagnostic purposes during the second semester of the junior year and may repeat the tests during their senior year.
2. Participation in a study abroad experience in a Spanish-speaking country with the approval of the Spanish advisor. Students may participate in a university-sponsored short-term program, an ISEP semester or year abroad, a program of another accredited college or an internship. All language students are urged to work closely with the Institute of International Studies to explore available programs and financial resources. Students with special circumstances may petition to have an alternative immersion experience approved for this requirement. Credit earned may be applied to the major field.

DESE requires a 3.0 grade point average in the content classes beginning with fall 2017 graduates.
