

MISSOURI SOUTHERN

STATE UNIVERSITY

FACULTY SENATE

Faculty Senate has a new President Elect. Michael Beilfuss, the previous at large member, has volunteered to be President Elect. Laura Schisler has volunteered to take his place as the at large member.

An ad hoc committee was created with input from Faculty Senate Executive Committee and Dr. Toms to revamp the current promotion and tenure standards. Representatives from each of the three colleges and the library were chosen. The rank of these professors spans Master Instructors to Full Professors.

Please reach out to me if you have any suggestions, concerns, or comments regarding the faculty!

Thank you,
Jean Coltharp
Faculty Senate President
Associate Professor, Mathematics
