

Accreditation Updates

- NACEP (Dual Credit)
- Social Work
- Engineering Technology
- Music

“Academic Policies” Issues

- Advising and Registration Issues
 - Combine special registration and Senior registration dates into one. Additionally, we propose adding veterans (through the MSSU VA office) to the special registration group.
 - Increase the priority registration period from 2 weeks to 4.
 - Add two Southern Welcomes after priority registration begins, and change the August Southern Welcome to a "last chance" registration event.
 - Consider the viability of printed versus web portal materials.
- Minimum number of hours required to earn a baccalaureate degree is 120 (replacing 124).

15 to Finish Missouri Statewide Kickoff (October 12)

Corequisite Remediation Default

many more unprepared students into college-level gateway courses with mandatory, just-in-time instructional support. Combine reading and writing instruction. Align mathematics to programs of study, matching the curriculum to real-world career needs. For many more unprepared students, provide remedial help parallel to highly structured coursework.

Full-Time is 15 Incentivize students to attend full-time and ensure that full-time

means 15 credits per semester. Use banded tuition so 15 credits per semester cost students no more than 12 credits. Cap degree credit requirements (120 for bachelor's and 60 for associate) to ensure degrees can be completed on time. Ensure college credits can be transferred.

Structured Schedules Help working students balance jobs and school by using

structured scheduling of classes to add predictability to their busy lives — doing so enables many more students to attend college full-time, shortening their time to completion.

Guided Pathways to Success (GPS) Enabled by technology, default all students

into highly structured degree plans, not individual courses. Start students in a limited number of “meta majors,” which narrow into majors. Map out every semester of study for the entire program, and guarantee that milestone courses will be available when needed. Use built-in early warning systems to alert advisers when students fall behind to ensure efficient intervention.
