

## Staff Senate Board Meeting Report – November 18<sup>th</sup>, 2016

**Introduction of new President Elect** – During our November meeting Staff Senate elected Sharon Fraser as our new President Elect. We accepted the resignation of our previous President Elect, Teresa Shufflin, at our October meeting.

**Angel Tree Update** – The Angel Tree is now on display in Hearn's Hall near the president's office. We started with 82 Angels and as of this morning we had 0 that need adoption. This is up from 67 children last year.

A special thank you goes out to the Athletic teams that adopted angels this year. Their participation made it possible for us to help more families this year.

With all Angels being adopted, the committee is asking for donations of wrapping supplies consisting of scissors, tape, bags, ribbons, and bows. The entire Staff Senate, in addition to any others willing to assist, will be wrapping presents in the Ball Room on Friday, Dec. 2<sup>nd</sup>. Families will then pick up the gifts on Dec 7<sup>th</sup> during Southern Lights.
