

COVID- 19 Precautions for MSSU Testing Center

Check-In procedures:

We have the floor marked for social distancing. We will check one candidate in at a time in room 117 while other candidates wait outside the testing room. We are operating at 30-50% capacity.

Items allowed in the testing center:

Your government issued ID(s), your car keys, snack items that can be sealed in a Ziploc baggie

Leave ALL other items in your car including cell phones.

You are allowed and encouraged to wear a mask that covers your nose and mouth – Please bring one with you and have it on when you enter the building.

What you can expect:

- Staff will be wearing masks
- Items will be sanitized before/after each use
- Hand sanitizer will be available
- We will practice social distancing when we can
- We will stay home when sick

What we expect from you:

- Wearing a mask is encouraged
- Use hand sanitizer before handling test center items
- Maintain social distancing
- Even with a mask, cover all sneezes/coughs
- Stay home and reschedule your exam if you're feeling sick
