> **Degree Works.**

DEGREE WORKS CAN HELP YOU DURING REGISTRATION

- 10 Use the **Look Ahead** feature to plan what courses you are interested in taking. Enter the Subject and Number, and then click **Add Course**. Click the **Process New** button to see how those classes will be used.
- 9 If you are considering changing your major or catalog year, use the **What If** feature to determine what classes will be needed in the new major and/or catalog.
- 8 For any course you still need, click on a hyperlink to see details. Degree Works shows you all of the available sections, the number of open seats, and meeting times.
- 7 Courses that require a prerequisite will have an asterisk listed next to them in Degree Works. Click on the class to see the prerequisite(s).
- 6 Click on **Registration Checklist** to view your outstanding requirements.
- 5 You can see if you have any holds that would prevent you from registering.
- 4 Degree Works displays your classification level (senior, junior, sophomore, freshman) to help you determine your priority registration time.
- 3 Login to Degree Works the day after you register to see how the courses will be used to satisfy specific degree requirements.
- 2 **Have a question? Need some help?** Click on your advisor's name to open a new email directly from Degree Works.

**And the number one reason Degree Works
can help you during registration?**

- 1 Degree Works identifies requirements that have been completed or are in-progress to help you avoid registering for classes you don't need. This saves you money and reduces the time it takes to earn your degree.

Have questions? Need more information?
Contact the Office of the Registrar at DegreeWorks@mssu.edu.
