Explore Boldly. Care Deeply. Impact Globally.

Social Work

This program will provide a learning environment where students are taught to think critically, be creative, participate actively in their education, and grow as individuals while respecting the rapidly changing and diverse world in which they live and practice social work.

Connect: Social workers are needed at all stages of life to provide resources and use evidence-based strategies, strengths-based problem solving, and create just policies.

Advocate: Social workers are social activist who advocate for the vulnerable in a broad range of social issues that can include child welfare, poverty, aging, discrimination, mental health, addiction, disability, food and housing insecurity, health and more!

Empower: Social Workers are change agents! They provide intervention strategies to empower individuals, families, and groups to enhance well-being and assist in developing community conditions that support and protect human rights (NASW, 2021).
