### STAFF SENATE

#### Board of Governors Staff Senate Report

March 14, 2025

##### I. MSSU Swag Swap Shop

The Swap Shop is open for business! We are so thankful for all the donations of MSSU swag, and it continues to come in. We have everything from t-shirts, sweatshirts, polos, jackets, and jewelry. There are even bow ties! The shop is open to any faculty or staff member, during the hours of the Lion Co-op. Staff Senate is very happy to provide this service to the employees.

##### II. Points-of-Pride (POP Ins)

Staff Senate has been doing campus 'POP Ins' for the last 2 years. Since implementation of this initiative, we have made some adjustments to the frequency. We moved from visiting our areas every month to once a semester. Some Senators really enjoy the visits so they will still get out every month and visit with other staff members on campus. This initiative has really helped get in touch with not only members of staff, but to help get the word out for events happening on campus. We look forward to continuing this for years to come.
