II. MSSU Swag Swap Shop

A small team of Senators worked this spring and summer to get the space ready for our Swag Swap Shop. We are repurposing some shelving from the old bookstore rental storage area. Once we have those in place, we will be ready to open. This will be located inside the Lion Co-op, utilizing one of the back offices. Thank you to everyone who donated MSSU gear. We are excited to provide this service to our employees.

III. Staff Senate By-Laws

This year, our Governance Committee will be analyzing our by-laws and proposing necessary changes to ensure the by-laws are in line with our current mission and goals, as well as meet the needs of MSSU Staff.
