

2026-2027 Unsub Loan Only

Name: _____ Student ID #: _____

You indicated on the FAFSA that your parents are unwilling to provide their information.

Dependent students whose parents refuse to support them are not eligible for a dependency override, but they may be able to receive a dependent level Direct Unsubsidized Loan only. For a student to be eligible for this provision you must document the following:

- The student's parents refuse to complete the FAFSA; **or**
- The student's parents do not and will not provide any financial support to the student (include the date support ended).

If the parents refuse to sign and date a statement to this effect, you must get documentation from **a third party** (the student is not sufficient), such as a teacher, counselor, cleric, or court.

If approved for this option, you will not qualify to receive other types of Federal student loans (including Direct Subsidized Loans), Federal grants, or Federal Work-Study programs.

By signing this form, you are confirming your intent to receive only unsubsidized loans for the academic year listed above. Total loan amounts are subject to your current grade level.

If you are a first-time Direct Loan borrower or a transfer student, you must complete online Entrance Counseling and complete Master Promissory Note at www.studentaid.gov before your loan can be disbursed.
